

# Study of phase separation of secondary dispersions.

Aston University. Department of Chemical Engineering - Biomolecular condensate

Description: -

- study of phase separation of secondary dispersions.
- study of phase separation of secondary dispersions.

Notes: Thesis (MPhil) - Aston University, 1986.

This edition was published in 1986

Filesize: 48.78 MB

## Separation of liquid

The PMFs and G<sub>ijs</sub> in are computed in the same manner described above, where the base line, i. Periodic boundary conditions are applied for all directions of the simulation box.

## Characterisation and Prediction of Phase Separation in Hot

Micro-scale prediction method for API-solubility in polymeric matrices and process model for forming amorphous solid dispersion by hot-melt extrusion. Skvortsov, 32, 16, 1991 , 3001-3005 8 P.

## British Library EThOS: Coalescence of secondary dispersions in fibrous beds

Chemical Engineering Science 2016, 145 , 10-20.

## Investigation of secondary phase separation and mechanical properties of epoxy SBS

These metrics are regularly updated to reflect usage leading up to the last few days.
