**Chinese Culture, Tradition, and Customs — Penn State University and Peking University**

Confucianism and Taoism do not have central religious figures.

**China's Imperial Past: An Introduction to Chinese History and Culture**

Directives of management start at the top and are passed down the chain.

**China's imperial past : an introduction to Chinese history and culture / Charles O. Hucker**

The book was structured, according to the author, in a way roughly corresponding to the ideal essay of a Confucian scholar, the eightlegged essay. Unlike other modern languages, which use phonetic alphabets, Chinese is written in pictographs and ideographs, symbols that represent concepts rather than sounds. Historically, the two have been very separate.

**Chinese Culture, Tradition, and Customs — Penn State University and Peking University**

Qidong is a breathing technique that is intended to strengthen the body by controlling the qi, or life energy. Both women and men can serve, and the army conscientiously upholds communist ideals of equality; there are no ranks in the army.

**China: Timeline**

Cultural heritage has become a global commodity and also a consumable domestic resource in a developing service economy.

**China: Timeline**

They traded in silk, and a Shang-era silk garment was found in a contemporaneous tomb in Egypt. You can explore the Terracotta Army, the

Great Wall and other ancient sites with us.

**Charles O. Hucker, China's Imperial Past: An Introduction to Chinese History. Stanford, Stanford University Press, 1975. xii + 431 pp. Illustrations. Appendixes. Index, Journal of Asian and African Studies (in 2002 continued as African and Asian Studies)**
