It is clear that, despite the burdens of his worldly commitments, words set down on paper were for Nehru a way of sorting through the commotion of life, politics and ideas. The family belonged to the educated genteel class. Therefore, the arguments that we use for or against this or that language will probably fade out as we grow more and more scientific minded and begin to adopt a symbolic language with a few words to connect the various symbols.

**Jawaharlal Nehru**

The English language should not have anything to do with politics a such, but, unfortunately, the whole language question has got itself entangled in political issues. The Congress organization was collective in its leadership, rather than monolithic. Both came from westernized homes and were educated at the University of Cambridge in England.

**Nehru's Foreign Policy: Realism and Idealism Conjoined**

A man who knew very indifferent English somehow thought himself a better scholar than one who had studied our own languages. That period saw an early wave of nationalist activity and governmental repression, which culminated in the in April 1919; according to an official report, 379 persons were killed though other estimates were considerably higher , and at least 1,200 were wounded when the local British military commander ordered his troops to fire on a crowd of unarmed Indians assembled in an almost completely enclosed space in the city.

**The Oxford India Nehru**

There are many reasons, more especially so for a country like India.

**The Discovery of India**

In all, Nehru spent more than nine years in jail. It happened that once he was struck by the simplicity of the arrangements made by the Hindustani Talimi Sangh for a conference of 1000 delegates.

### **Education of Jawaharlal Nehru**

For this reason, Physics was later substituted by botany.

But not until father and son met and were persuaded to follow in his political footsteps did either of them develop any definite ideas on how freedom was to be attained. We have a very efficient service for translating foreign books. He wished his son to qualify for and serve the Indian Civil Services or I.
