Male Guppies for Sale

Adult guppies used for breeding would be kept in this tank. AOC Any Other Color Guppy The International Fancy Guppy Association IFGA sets out how guppies are classified based on color.

Guppy

This breeding box allows the babies to leave the box and enter their own tank.

Fancy Guppies for sale

These little fish multiply fast and it can be hectic to keep up feeding them

Guppy's Restaurant

And the fact that these fish breed so often makes them even easier to get for cheap. If it is more than 15%, they are classified as a multi guppy. These fish have long pointed tails that look like a sword.

Guppy

Must be signed into your Treats account to prior to purchase to receive discount. So, if your guppies get sick, and you plan to use any medication, make sure you choose one which is shrimp-safe. If for some reason there is no chance to avoid a bowl, try to get one that's as big as possible - Preferably 60 litres 15.
