## Superintendent Handbook

At this point in the process, the district may not know what the planned use for the closed school may be, but this is a good opportunity to hear about community concerns. San Pedro had some 25 years as a corporate executive under her belt and spent years managing billion-dollar budgets.

## School Facilities

A Guide to Renovating School Facilities A Guide to Renovating School Facilities Modernization of Educational Facilities: Deciding to Renovate or Build New? Consider that staff members may have different levels of ability with using virtual platforms and new learning technologies. What does federal law say about immigrant students? In this key area, too, both WASA and your local ESD can provide guidance and assistance, and WSSDA provides helpful resources on both standards-based and outcomes-based, superintendent evaluations.

## School Facilities

Vapors from cleaning products can linger long-after they have been applied, which can expose students and staff to potentially harmful substances. Schools can reassure their students that enforcement actions within schools are very unlikely. We will continue to work closely with state and local public health officials.

## School Facilities

Pediatrics, 123 6 , 1591-1598.

## Oregon Health Authority : State agencies issue COVID

These concerns typically are explicit statements about what they do not want the school property used for. Experimental research on these types of programs has shown that effective programs enhance social-emotional skills and attitudes, increase the frequency of positive social behavior, and

reduce the frequency and severity of conduct issues and emotional problems.
