**Mahabharata**

This year, in addition to its usual program of paper presentations and gatherings for informal conversation and consultation, CSRI will host a pedagogy workshop sponsored by the Wabash Institute. They could crush mountains and dry up oceans with their arrows. In my classification, this process is the contextually dependent comparison type Gl.

**MPRL**

These techniques will have follow to parallel processing approach given the diverse nature of the audience interested in Sanskrit e. In addition to putting the x varənah in Lake Vourukaśa, Apām Napāt dwells there.

**Understanding Context**

In their hands the Nekter supports the Xártus, protecting not only the Cosmos of the gods but the Chaos of the Outsiders.

**Lessons from The Mahabharata: Dealing with Moral Dilemmas**

See the notes below for detail.

**MPRL**

The connection with the Aśvins is no surprise, since they are often connected with honey.
