About the OECD

He has published over 150 research papers and has received various international awards, including the International Partnership award from UNESCO-UNEVOC, an IVETA International Vocational Education and Training Association Award and a Colombo Plan Staff College for Technician Education CPSC Technical and vocational education and training TVET Leadership Award.

About the OECD

His studies of German and Russian at Oxford University led him to study in provincial Russia and to work in the Press Office of the Greek Embassy in Berlin. Biography xEdu is Europe's leading business accelerator for edtech start-ups creating transformative learning solutions with pedagogical impact.

Bilateral Agreements and Worldwide Cooperation

Gábor was elected Hungarian Sportsman of the Year in 1999 and 2001 for winning gold medals at the World and European Championships. First report of the International Education Law Association, Acco, Leuven, 1994 Lenarduzzi, D 1994 , Hozzájárás a Nemzetközi Oktatási Jogi Szövetség Intenational Education Law Association által 1993 decemberében tartott Symposiumon, in: Jan de Groot ed.

About the OECD

From toys and household items to electronic equipment and automobiles, toxic substances in articles are an increasingly important factor contributing to the global burden of toxic substances. Besides that, she has experience working in youth organisations, as well as being a former member of the OBESSU working group on Global Citizenship Education and is a current member of the Council of the Government of the Republic of Slovenia for Youth working groups on digitalisation and apprenticeship.

European Co

She had the idea to set up a book contest, as part of which she asked her students to create a short video summary based on a book selected by them. France is also involved in co-operation with Organisation internationale de la francophonie OIF—International Organization of Francophonie.

Second European Education Summit

Céline has focused her teaching methodology on well-being at school and on new learning methods as a key to success for students and teachers.
