## Iraq, Afghanistan, and Self

Some studies show that a mouth entry site is more common if long guns rifles, shotguns are used, but a Turkish study showed a handgun predominance 32,34,35,37,49,137,138. And by condoning torture, prisoner abuse, secret detention, illegal surveillance, and other violations of human rights, the administration has also undercut its ability to promote reform with authoritarian allies like Egypt, Saudi Arabia, Morocco, and Uzbekistan.

## Iraq, Afghanistan, and Self

The Alliance has maintained a military headquarters in the country to carry out a number of specific tasks related, in particular, to assisting the government in reforming its defence structures.

## Fotostory

I also pray for many lost and deluded western Christians that have strayed from being a Jesus follower and are not Christ-like for they bare no good fruit. Take those words into your heart. They should have known that closing businesses and schools would destroy the livelihoods of everyone.

## It's time for Turkey and Nato to go their separate ways

A bullet once fired cannot be recalled.

## NATO

Hear those words in your ears. Although this system was designed by evolution to deal with physical attacks, it is activated just as readily by emotional attacks—from ourselves and others.
