Nelson Education

Almost 44 million people live in the region, known for its crystal blue waters, sandy beaches, and warm, tropical climate, all of which attract throngs of tourists each year.

This land is your land

That means much more in this country than it may in yours. But the system is still skewed. Growing up I had friends from all backgrounds and felt truly blessed because of it.

Nelson Education

Maybe we would better off adapting those ideologies.

Royal Caribbean Announces Summer Cruises from Texas, Florida amid Vaccine Passport Conflicts

Warning you about the overt and covert racism of America is like pointing out the hidden rocks and tree roots on the trail.
