## Desmond Doss

Adams swiftly led 13 men from his platoon into a bayonet charge against over 125 enemy soldiers. Then, in 1937, he heard the Army looking for pilots and he eagerly joined for an opportunity to fly and be paid to do it! Shortly after midnight, large swaths of enemy forces started assaulting the rifle company with mortar, artillery and sniper fire.

## MINNESOTA MEDAL OF HONOR MEMORIAL

These heroes deserve a home for their legacy to be shared with the next generations.

## Oregon Fire Chiefs Association

During his imprisonment, Emmens learned to speak Russian, so in 1944 he was sent to Romania as the Military Air Attaché. At the age of 16, Smith learned to fly, riding the bus from John Day to Ontario on the weekends to receive instruction.

## Public Outreach & Patriotic Awards

He found that engineering paid more than the military, and now married to his college sweetheart Mary, he decided to give up on the Navy. Shortly after he went to work for Lockheed, a California Company.

## About Us

The Uighurs' plight has rightly been identified by the U. It is often said that it is darkest before the dawn, and Ernie Brace can testify to the truth in that statement; spending a dark seven years as a Prisoner of War before finding the light of redemption upon his return. Previous Inductees Born and raised in McMinnville, OR, Colin Armstrong has seen the city mature into what it is today.

## Oregon Aviation Hall Of Honor

He visualized aircraft as industrial workhorses and angels of mercy and in 1960 founded Evergreen Helicopters, Inc.

#### **A Medal of Honor museum can help teach students about courage, sacrifice, patriotism**

The monument has not generally been understood and has been discredited for not being relevant to veteran recognition or issues. The Medal of Honor Memorial would occupy and be confined to the footprint of the existing reflecting pool and again function as originally intended as a functioning reflecting pool and operating mechanical statute along with being a Medal of Honor Memorial. He chose military service, despite being offered a because of his shipyard work, on April 1, 1942, at , Virginia.

#### **About Us**

For the next four years, he was kept isolated from the outside world, because he was captured in Laos, where neither the US or North Vietnam were supposed have a presence.
