**EXPULSION AND PLACEMENT OF CERTAIN STUDENTS IN ALTERNATIVE SETTINGS. EMERGENCY EVACUATIONS; MANDATORY SCHOOL DRILLS.** A district may take any action permitted by this subsection if the student was expelled by a school district in another state if: 1 the out-of-state district provides to the district a copy of the expulsion order; and 2 the grounds for the expulsion are also grounds for expulsion in the district in which the student is enrolling.

**Penal Discipline, Reformatory Projects and the English Prison Commission ...**

After a school district notifies the parents or guardians of a student that the student has been expelled, the parent or guardian shall provide adequate supervision of the student during the period of expulsion. This would have allowed the public to see the convicts' bodies enacting their punishment, and thus to reflect on the crime. Under such policies, any soldier who had a death sentence for retreat commuted was automatically reassigned to penal units, greatly increasing the number of soldiers available to the Strafbataillon.

**What is a Penal Military Unit?**

If the period of the placement is inconsistent with the guidelines included in the student code of conduct under Section a 5 , the order must give notice of the inconsistency. June 19, 1997; Acts 2003, 78th Leg.

**Penal Discipline, Reformatory Projects and the English Prison Commission ...**

Added by Acts 2007, 80th Leg.
