Yellowstone to Yukon: The Blackfoot

Building on the existing Parks and other protected areas, the challenge is now to preserve a interconnected web of life so that wildlife continues to have the freedom to roam. He was a lawyer and partner at MacKimmie Matthews law firm in downtown Calgary for 14 years and served as volunteer president of both CPAWS and the. And in this region less populated than the eastern parts of the U.

Yellowstone to Yukon: Freedom to Roam, A Photographic Journey.

Chadwick, and biologist Karsten Heuer, as well as authors and journalists, to document the vast resources, the wildlife and the dangers of approaching development. The Church-No Return borders the Gospel Hump Wilderness to the northwest and the Selway-Bitterroot Wilderness to the north.

Tails of the Gronckle
