How to cite the explanatory notes: Shakespeare, William

**Ricardo III de Inglaterra**

**ROMA, GLOBE THEATRE, RICCARDO III**

Edit: Just watched the last part of TV series, which is an adaptation of Shakespeare's play. There, and especially in the city of , he was highly regarded; although it has been questioned whether this view was reciprocated by Richard. I can't recommend total immersion enough.

**Duke of Buckingham Character Analysis in Richard III**

Lord Hastings was created Lord Chamberlain by Edward IV soon after his coronation.

**Richard III Quotes by William Shakespeare**

Both emphasise that Richard was devious and flattering, while planning the downfall of both his enemies and supposed friends.
