## Changes in society, 1924

Barnard served two terms, but due to her advocating on behalf of Indian wards being cheated out of their own land, Governor William H. In some cases, however, the private sphere of nineteenth-century women had arguably more positive images, defining woman as the more morally refined of the two sexes and therefore the guardian of morality and social cohesion. Work day and night in order to achieve the goal.

## Subservient Wombs for the Führer: The Role of Women in Nazi Germany

But when the moment came, and Merkel found herself single and childless in her mid-thirties—and laboring in an East German institution with no future—a woman of her ambition must have grasped that politics would be the most dynamic realm of the new Germany. He is the sun, she is the moon: women in early modern Germany Harvard University Press, 1998. This continuous expansion of output which fuelled the recovery was also made possible by a number of domestic factors.
