their countries.

## What is the Axis of Evil? (with pictures)

It can be a policy that directs future military action or it can be an advertising slogan. Well, I think it will be something that we'll pass through. They would like to move in that direction.

## The Axis Of Evil

But I take it that it was more than just political -- that these are serious people in the administration. There was no need to broadcast it on an official occasion and for the whole world.

## BBC News

It may provoke a redrawing of the intellectual map of the Middle East, giving liberal democracy its best chance in the region since the end of World War II.

## What is the Axis of Evil? (with pictures)

Published quarterly since 1947, the peer-reviewed Journal provides objective research and analysis on the region, on the area from Morocco to Pakistan and including Central Asia. President Bush's State of the Union address on Jan. A lot of the ones who communicate out privately and so forth through the Internet don't say that.

## **President broadens war on terrorism**

Bush branded three countries — North Korea, Iran and Iraq — as rogue states that he said harbored, financed and aided terrorists. . So I think we need to do everything we can to help the reformers in Iran.

## **Iran and the Axis of Evil**

Oh, I was quite positively impressed by it. .
