## German Literature of the Nineteenth Century, 1832

Unlike at that time, however, current media developments seem to cannibalize rather than promote literature. However, even at their best, they could not achieve the continuity of government that some dynastic states began to acquire.

### 18th

In traditional literary histories the labels assigned to periods by former generations of German scholars include an odd assortment of features.

### How German literature came into the world and where it stands today

Under the rule of Karl Friedrich, an enthusiast for , Baden enjoyed some of the best governments of the smaller states. The key to reading Old German Script is developing the ability to write it yourself. Saxony changed sides to support Napoleon and join his Confederation of the Rhine; its elector was rewarded with the title of king and given a slice of Poland taken from Prussia.
