**Jim Gardner's blog: February 2009**

I am not CELEBRATING Halloween. I spent 20 minutes or so quietly reflecting on the precious memories I have of Dr.

**Acts 20:7 Sermons: On the first day of the week, when we were gathered together to break bread, Paul talked with them, intending to depart on the next day, and continued his speech until midnight.**

For truly I say to you.

**Description: Making a scene in the pulpit**

Though a hefty volume indeed 512 pages , it is jam-packed with encouraging and inspiring teaching on reformed experiential preaching. A helpful book on homiletics. I don't think it will be the last either! One thing I appreciated most was Motyer's humility in appreciating the various approaches and methods of exposition.

**recovery from a bad church experience Archives**

Literature has been exchanged for technical manuals, and an increasing number of Americans have completely exchanged electronic culture for printed literature.

**Acts 20:7 Sermons: On the first day of the week, when we were gathered together to break bread, Paul talked with them, intending to depart on the next day, and continued his speech until midnight.**

If you're looking for a great Christian fiction book that rings with the truth, this is it! Little does the working man know his own interest when he secularises the Sunday! Angels might have been ordained evangelists, but their celestial attributes would have disqualified them from having compassion on the ignorant. And such may be yours.

### **Article for Ministers: After A Really Really Really Bad Day**

The second part of the book walks through how the Reformers, Puritans, and some 20th century pastors underwent the work of preaching expositionally.
