**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Although differing in history, culture, religion and stage of development, many countries have made efforts to strengthen their social safety nets.

**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

The programmes also expect to bring development through partnership between ILO offices, social partners, and NGOs in the region. Expected outcomes The SSN Fund ultimately aims to build the fundamental capacity of countries in Asia Pacific to develop social safety nets.

**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Recent economic crises have revealed the need for adequate social safety nets to protect vulnerable populations from calamity. In addition, there are significant needs for appropriate and timely responses to natural disasters from the perspective of employment recovery, in which vulnerable people are the most affected, the least supported, and the last to rebuild their lives. For further information please contact: Mr Sho Sudo Chief Technical Advisor Tel.

**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Practices will build capacity of government bodies, which is indispensable for implementing labour policies regarding the adoption of social safety nets and realization of decent work for all. Project achievement So far 49 projects have been selected.

**Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Keeping children out of work and in schoolThe establishment of social safety nets for vulnerable people have become more important than ever as the world globalizes.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

A crisis can spread rapidly and have a dramatic adverse impact on an entire regional economic system and labour market.

## **Social safety nets: ILO/Japan Fund for Building Social Safety Nets in Asia and the Pacific (SSN Fund)**

Background and rationale Asian countries have experienced rapid economic growth in recent years, but persistent poverty and growing inequalities remain. However, they share the common goal of creating and enhancing social security for workers. However, we are still far from attaining the goal of providing adequate safety nets for all.
