## The Medici Family

On this trip Cushing also visited surgical centres in France, Germany and Italy. Religio medici, essays on the religious philosophy of a practicing doctor, has been said to be one of the most famous works of English literature written by a physician.

**Harvey Cushing: The man in: Journal of Neurosurgery Volume 50 Issue 1 (1979)**

Black, editor: Harvey Cushing at the Brigham

**Moderne Therapie in innerer Medizin und Allgemeinpraxis; ein Handbuch der medikamentösen, physikalischen, und diätetischen Behandlungsweisen der letzten Jahre.**

In the same year he also published a short monograph, Studies in Intracranial Physiology and Surgery.
