Food & Nutrition Services

Whenever possible, the receiver should check the invoice against the purchase order or purchase request slips. Please take a moment to see how many school meals were served across the state for the 2019-2020 school year per School Food Authority. For example, perishables turn over as quickly as they arrive while canned goods turn over more slowly.

School Nutrition Programs

The physical inventory is used to verify the accuracy of the perpetual inventory.

School Nutrition Programs

The SFA will have access to the OAT when the AR Notification email is received. This guidance comes from USDA policy memorandums SP 09-2013 and CACFP 04-2013. Braille, large print, audiotape, American Sign Language, etc.

Basic Inventory Procedures

The data is broken down to show school lunches and school breakfasts, respectively.
