Liudmila Gilmour, Colin Thomas, and Marcus Wheeler, ed. He also found nothing worthwhile for Russians to trade in. In this first period, travel was also more likely to be regional, exhibiting a general correlation: the earlier the date of the text, the more proximate to Central Asia its provenance.

Introduction 21 Poets and explorers also held something else in common, for theirs was an isolated and backwater Central Asia of scarcely

populated mountains and secluded passes that stood in firm contrast to the bustling commercial towns and lowland trade routes that had been the focus of early modern writers. Relying on the assistance and guidance of Daichin and his grandson, Nazar-Mamut, the journey passed uneventfully.
