Journey through the underwater coral reef (Gallery)

The reef, which is located 11km from the launch site, is often compared to the Red Sea dives.

Africa Underwater: Our Top 5 Reefs in South Africa

With more than 10 million gallons of saltwater and freshwater and more than 500 species on display, it is the biggest aquarium in the U.

Reef Safari Diving

I deliberately speak of film and avoid the classic word show.

Red Sea Reef

The Great Barrier Reef also contains more than 400 types of coral and around 240 species of birds.

Red Sea Reef

After just the first minute the breathtaking quality of the visual design reveals itself. Some websites which are linked to the Tourism Australia website are independent from Tourism Australia and are not under the control of Tourism Australia.
