Advanced Placement (AP) Program

History exam takes 3 hours and 15 minutes. They will also come to understand life expectancy, family patterns, population size and density, as well as the political and social effects of immigration internal migration. Credits you earn based on your exam performance may be counted toward your major or minor fields of study or General Education requirements.

AP U.S. History

As they explore historical materials, such as the biographies of key players the accused and the accusers and transcripts of the Salem Witch trials themselves, students will be guided by aesthetic and dramatic concerns: In what ways do historical events lend themselves or not to dramatization? This lesson helps students respond to the question in an informed manner.
