## Margaret Higgins Sanger (1879)

That was the last time the couple saw each other in person. Sanger asked women's rights activists for help, but found little support for her cause among competing issues such as the right to vote and access to more education. About the Author: David M.

## Margaret Sanger

He has received numerous awards including the John Gilmary Shea Prize for Birth Control in America: The Career of Margaret Sanger, 1970 and the Bancroft Prize for Birth Control in America , 1971.

## **Yale Publications in American Studies: Birth Control in America : The Career of Margaret Sanger (Paperback)**

She sent a note to the judge for the trial, John Hazel, explaining that she had left the US because she needed more time to construct her case.

## **Birth Control in America: The Career of Margaret Sanger by David M. Kennedy**

In her autobiography, Sanger notes that during her time at Claverack College she became interested in women's right to vote, called suffrage.
