### Labour shortage hitting Quebec's I.T. sector hard

The Conseil says one of its solutions includes increasing the number of working people aged between 60 and 69. As you should also make sure to tell us: your position title, your current salary, how long you have been employed there, the name of your employer, and whether you were recruited. If you have an employee, non-management or management, unionized or non-unionized, who is either actively causing problems or failing to abide by the employment standards that you have laid out then you have an employment problem.
