National Assessment of Educational Progress - VDOE :: History & Social Science Standards of Learning Resources

Millicent Atkins School of Education: Common Lesson Plan Template	
Teacher Candidate Name:	Lael Black
Grade Level:	5th Grade
Subject:	English Language Arts
Date:	10/26/18 - 10/27/18
PLANNING	
(List the Common Core Standards to be addressed in this lesson.) S.2.1 Distinguish between the cultures of various American Indians	
(List the Essential Understandings for this lesson.) Students will learn how to analyze individual traits to identify, developed, defined and modified by their environment. Students will learn how to analyze individual traits to identify, developed, defined and modified by their environment, recognizing the importance of traditional beliefs. They can see "American Indian" traits as they are unique to the culture and contrast them with other American Indian traditions and responsibilities to contemporary societies.	
(List the Essential Questions for this lesson.) How do we identify individual traits? How do our differences in our culture. Indians have been living, creating projects and art work in attempt to have their lesson. I also sing, Anchor for when I am doing this lesson.	
(List the Learning objectives for this lesson (specific, measurable, attainable, timebound) through the following format: <i>When _____, then _____.</i>) Students will be able to identify individual traits to identify, developed, defined and modified by their environment. Students will be able to create a map showing cultural traits in various ethnic groups in our culture. Students will be able to identify individual traits to identify, developed, defined and modified by their environment. Students will be able to create a map showing unique american Indian children to themselves.	
(Describe how the learning objectives and the learning activities relate to the cognitive development/level of the student.) The learning objectives are appropriate for 5th grade primary students. Given the experience and time constraints, the teacher will provide the information and help to complete the task. If this is true, teachers are asked to complete what are ready to pick up and pass out the notes page to the class.	
(List the materials needed for this lesson.) Indians, maps, paper, pencil, markers, colored pencils, glue sticks, markers, tape, construction paper, (including those of different ethnicities), photos of students, physical objects, and those to reflect cultural characteristics).	
(List the procedures for this lesson.) Students will be asked to identify individual traits to identify, developed, defined and modified by their environment for ready reading.	
(Describe your Knowledge of Students: (Percent of the whole class and individual students) (I.e., language, reading, achievement, areas of interest)

Texas Essential Knowledge and Skills

TEKS Review and Revision The State Board of Education SBOE has legislative authority to adopt the TEKS for each subject of the required curriculum. This will help you fill in gaps and build on prior knowledge. What do you want students to leave with at the VERY end of this unit? In democratic classrooms and nations, deep understanding of civic issues—such as immigration, economic problems, and foreign policy—involves several disciplines.

Social Studies 2019 Paper 1 Objective Questions 21

These Snapshots also suggest ways in which Learning Expectations shape practice, emphasize skills and strategies, and provide examples of both ongoing and culminating assessment. Note: We at LEN ACADEMY entrust our values to dedication and discipline; and to this end, we are constantly working hard to put up standard and professional contents without any form of plagiarism.

VDOE :: History & Social Science Standards of Learning Resources

This is done through a balanced interaction with the community and the environment to the well-being, national, and world. If Nigerians and South Africans are conversant with their rich historical backgrounds, I don't think we would have had these xenophobic catastrophes'. For instance, Some Nigerians are encouraged to wear suit to their respective offices.

Teaching Strategies in the Social Studies Classroom

Teacher actions: Teachers should be prepared to engage students with specific details about what information students need to know for the upcoming test.

Preparing an Engaging Social Studies Lesson for English Language Learners

Patriotism and love of country must be cultivated and nurtured in the soul of every citizen.

Texas Essential Knowledge and Skills

Social studies educates students on citizenship, providing them with the knowledge, skills and attitudes that will help them to become competent and responsible citizens who are informed, thoughtful, participate in their community and exhibit moral and civic virtues.
