## History Articles About The Tudors and The Tudor Era

Stay out of trouble There was no police force in Tudor England.

Filesize: 22.53 MB

## Life in the 16th Century

During the sixteenth century, England emerged from the medieval world.

## Tudor Life on vivchar.tom.ru

The extension of Tudor authority in northern England caused discontent among the aristocracy and gentry, as the new Protestant bishop tried to recover former church lands and alienated their new owners. She was next in line for the throne.

## The Life and Times of Owen Tudor

It was his great popularity that saved him. But that was years in the future.

## Tudor period

Like women who suffered through charivari anducking stools, women squeezed into the branks were usually paraded through town.

## Henry VIII

This was much the same in the 16th century. It forced the outnumbered French fleet back to its ports, took control of the English Channel, and blockaded Brest.
