### Lucian Freud Works On Paper

There were various reasons for this. But Painter Working, Reflection, from 1993, is his only full-figure naked self-portrait.

Still in his early 30s, he had been selected along with Francis Bacon and Ben Nicholson to exhibit in the British Pavilion at the 27th Venice Biennale. The dream like quality found in Man in a Spotted Jacket depicts a close cropping of a man who dominates the canvas and is intensely gazing back in stillness drawn in the context of the sobriety of the Second World War.

### Lucian Freud Paintings, Bio, Ideas

He had started painting in Germany at the age of ten before his family moved to England in 1933.

Afterwards he remembered Hotel Bedroom as the first picture for which he stood up, as he shows himself, moody, hands in pockets, in front of that smashed window. The sitter is Kitty Garman, Freud's first wife, and a noted beauty whose father was artist Jacob Epstein. That means I feel an obligation to be equally honest in how I represent their honesty.

Self-portrait: Reflection 1996 was his only etching of himself. Exhibition organised by the RA in collaboration with the Museum of Fine Arts, Boston. The subject's intense concentration is juxtaposed against a wealth of movement, manifested by the boy's richly textured doublet crafted with precise contours.
