Family and Medical Leave Act (FMLA) Guide

FMLA Form WH-380-E for Employee Health Condition Your employer can use Form 380-E Certification of Health Care Provider for Employee's Serious Health Condition to obtain a medical certification of your own need to take a leave of absence from work. This classic guide is the definitive home health reference for the twenty-first century-an indispensable book to keep you and your loved ones healthy. Only one designation notice for each FMLA-qualifying reason per applicable 12-month leave year is required.

Family Medical Center: Family Medicine: Orlando, FL
