10 Largest Steam Locomotives Ever Built

Hope you will like it and give your comments and suggestions. Porter's last locomotive was built in 1951.

9780964705036

For years Porter Locomotives could be found in small logging operations usually in saddle tank form. This is NOT a retyped or an ocr'd reprint. Interestingly, even a few streetcar lines used Porters! Seven years later the organization was again renamed, as the H.
