## Tokenism

Several thousand African Americans joined the CPUSA in hopes that the organization would help them to achieve specific civil rights including educational and labor related goals. Each page is checked manually before printing.

## Must Negro

*Transcription Center Status Transcribed by digital volunteers Place used , , New York, , Classification Type Topic Graphic design Credit Line Collection of the Smithsonian National Museum of African American History and Culture Object number 2020. The pamphlets in this collection cover topics including racism, the civil rights movement, discrimination in the work force, education, communism, slavery and the abolitionist movement, lynching, and prominent legal cases involving African Americans. Such prejudice is then discussed under the general trend in colonialism and capitalism to organize labor according to racial categories.*
