College Study Skills: Becoming a Strategic Learner / Edition 7 by Dianna L. Van Blerkom

She is an assistant professor in the Academic Support Center at the University of Pittsburgh, Johnstown, and previously served as the director. This fourth edition features a method for students to assess their own learning styles, new material on test taking and overcoming math anxiety, and new key terms and chapter review questions.

9780495913511

Quizzes while the practical study strategy applications will lead to student success in any content area course a student takes. Excerpts from college textbooks in many disciplines help students practice new skills, and some 100 examples show how other students have used the strategies. An accompanying website contains extensive additional teaching and learning material including slides for each chapter, comments on chapter activities and a number of in-depth case studies written by researchers and designers.

9780495913511

The Fourth Edition of the award-winning book continues, with its unique blend of humour and collection of bizarre examples, to bring statistics — from first principles to advanced concepts — well and truly to life using IBM SPSS Statistics. The E-mail message field is required. Postal Service, the Tennessee Municipal Technical Advisory Service, and the University of Tennessee.
