Bonhams : 20th Century Decorative Arts

Many major international auctions have been conducted in the famous Great Room at Christie's King Street during the firm's illustrious history.

Art Auction House: Christie's London

Over 140 pieces of furniture and decorative arts have been deaccessioned by the museum after an extensive process of review by the museum. Raised in New Orleans and named for his father who was also a prominent surgeon, Dr. It used to have an infamous reputation as a place where stolen goods might legally change hands, owing to an obscure medieval law known as market overt or marché ouvert , which guaranteed a buyer title of ownership if an item was bought in good faith here between sunrise and sunset, whatever its provenance.

Art Deco Auctions

Asia Week NY Auction Exhibition March 12-20, 2020 New York, NY Gallery - 227 E. Camden Passage is great for anyone who loves to explore pre-loved in a great atmosphere and traditional London setting.

London's Best Antique and Flea Markets

Art Deco Auctions

Due to governmental orders and changing circumstances related to COVID-19,not all natural light photograph requests can be met. Christie's moved to its headquarters at 8 King Street, St.

London's Best Antique and Flea Markets

Oh, and not to forget, it has a fabulous rooftop cafe too! In some cases, large items may not be collected by shippers for several days after the sale's closing. Since then Christie's has continued to provide the perfect backdrop for the world's finest collections and greatest works of art before their auction.

20th Century Decorative Arts

Bermondsey Antiques Market is set on Bermondsey Square in the London Borough of Southwark, a ten minute walk from Borough Underground Station. Cohn utilized his interest in the arts to extend his legacy well beyond the medical profession.
