. She contended that this difference is related to culturally influenced perceptions of information storage and display. Give examples of what culture provides to its members.

## How Steve Bannon Tried to Destroy Pope Francis

There have been incalculable marriages licenses over the past century alone solemnizing heterosexual unions between an older man and a teenaged woman that were happy, healthy, and lifelong. This leads to practices where men inflict violence upon women in order to get revenge on male members of the women's family. BUT, your crime was so unspeakable and a trial would be so problematic for national security that it justifies locking you up for life in Guantanamo without trial, conviction or possibility of appeal.
