## Local Government Privatization 101

This piece points out that while there may be a role for public-private partnerships, not only are the cost savings doubtful, but their effect on the ends of government are extremely worrisome.

## The History of Privatization

Feeling pushed to the brink of bankruptcy, cities are trying to find effective ways to make do with less. Three of the most prevalent myths include: Myth: Privatization is partisan. Government provides a public space, places and times for public discourse on the affairs of the nation, such as the public hearings of government agencies, the constituent gatherings of elected officials and electoral campaigns.

## Beyond Privatization: Developing a Market Economy for Lithuanian Agriculture

After all, private companies may want to provide a service efficiently and well -- and often do -- but governments must ride herd on implementation of the contract. In addition to tire production, the project will include the manufacturing of carbon black, at an annual capacity of over 15,000 tons.

## Local Government Privatization 101

Against a Democratic Congress Reagan only succeeded in privatizing Conrail, the northeastern freight railroad taken over by the federal government from the bankrupt Penn-Central. In the end, Maximus, Inc.

## Beyond privatization : the tools of government action / Lester M. Salamon, editor ; assisted by Mich...

The administration began to develop concrete proposals to sell off government assets. The ESOP The ESOP uses self-liquidating productive credit to enable workers to become shareholders without reducing their savings or paychecks.
