## Whither the Black Consciousness Movement?

This is a question of strategy. In the cities Buddhism has far less influence even with the illiterate classes than 12 CARRYING THE GOSPEL it has in the rural districts. Although there was no intention of involving high school students, some joined in.

## Qatari Wahhabism vs. Saudi Wahhabism and the perils of top

That glorious heritage was greatly enriched when, from the second half of the eighteenth century, the Africans took their respective positions in the line of battle. Even though it be impossible to increase the missionary force, the funds from abroad should without fail be increased. It cannot play with them or procrastinate to debate whether or not to improve them.

After all, Makana was a leader who commanded an army of 18 000 in 1890 and who devastated white areas for several months. An ad hoc committee, the All African Convention AAC , was therefore created with the special purpose of fighting the bills. That being said—and said again and again—however, the story line of world history, driven in large part by the Christian mission, will likely continue to be the rise of the West.

### **Solo Zone: Whither the Single Male Missionary?**

Wherever there have been workers of holy life and strong faith to put in the sickle, they have gathered sheaves. With all the light of science and Western philosophy, this conviction and its cult remain as the Gibraltar which will ever oppose the messenger of peace, until the Fatherhood of God, the Creator of the human spirit, drives out the fear of the dead and implants the sentiment of man's sonship to the Divine.

### **Solo Zone: Whither the Single Male Missionary?**

The extension of the protectorate of Japan over Korea, involving the loss of independence, while humbling the Korean people, has at the same time stimulated within them an intense and united spirit of nationalism. Through these organs the views of the new movement and its activities were brought to the attention of the public. The emphatic rejection of Marxism by the new movement seems to confirm this view.

### **Qatari Wahhabism vs. Saudi Wahhabism and the perils of top**

Certainly there is much in Western culture, especially in the popular culture now exported everywhere, that is incompatible with the Christian message.
