My Husband Is Transitioning

This planted the seed of gender confusion and led to my transitioning at age 42 to transgender female. Today, we have a guest blogger, Dr. And you can try this out anywhere exhibitionism, anyone? She called nonprofits and found plenty of resources for transgender people, but none for their partners, nothing for women like her.

I married a gay man

A gender specialist told me to give it more time. But let me tell you, it's like nothing I have experienced before. Deep down I knew the answer, but I needed confirmation.

Stages of Marriage

I watched a National Geographic episode on one culture in Indonesia that has five different genders. Orientation: Queer It takes a long time to learn the finer points of performing your gender in the world.

Transgender sex change regret: Transitioning won't heal real issues

It is knowing that to become visible is to accept your personal truth, because it outweighs the risk of losing what has mattered most in life until now. When we got married I was desperate for this Prince Charming to come and sweep me off my feet and I had no idea it would be Princess Charming. Aly and Kris Kachirisky just celebrated their 19th year of marriage, having redefined their relationship following Aly's announcement that she was transgender and eventual transition.

Three Types of Transition in Marriage

It took a long time to understand that my breasts don't make me any less male. Our daily routine was altered and it left both of us feeling out of

sorts.

10 Transgender People Share What They Wish They Knew Before Transitioning

They celebrated when West Linn neighbors told Aly she could still attend the guys' poker nights. With confidence in myself and my place in the world, it has become possible to lovingly reconnect with my estranged biological family, in particular my 72-year-old father.
