## Hermeneutics in Kaozheng: Some Reflections on Cui Shu (1740)

In 1906, after he was released from prison, Zhang went to Japan to edit The People's Journal Minbao and developed a new philosophical framework that critiqued the dominant intellectual trend of modernization theory. According to the common habits today, the name Han is in the same rank of Manchu, Mongolian and other ethnic group names. They took their ideas mainly from German philosophy, especially German Idealism Herder, Schelling, Fichte and Hegel.

### Liang Qichao

The list of racial stereotypes used by Chinese scholars since the nineteenth century is long.

### Author Studies H

The Hong Kong Modernism of Leung Ping-kwan. Va desmuntar el mite d'una Edat d'Or xinesa però pensava en una evolució de la seva societat. The two main founders of the Slavophile movement, Khomyakov 1804-1860 and Aksakov 1817-1860 , thought that Russia should not use Western Europe as a model for its modernisation, but should follow a course determined by its own values and history.

### Sources of Chinese Tradition

Zeng thus becomes a symbol of resistance against Westernisation from the outside and revolution from the inside. The author brings out the connections between Tian and Varuna, Tianzi and Rajan, the ancestor worship of the Confucian tradition and the Pitryajna, and compares the elegance and simplicity of the Shijing with the hymns of the Rigveda. Sinophone Studies: A Critical Reader.
