When To Use a Colon: Rules and Examples

Dialogue—Write the speaker's name, followed by a colon and his or her statement. A current theory holds that the wall of the diverticular sac becomes eroded by pressure, trapped fecal material, or both. However, the taeniae coli and accompanying haustra are not found in either or.

What Is Function of the Colon?

Often they are used to introduce a quote or a list that satisfies the previous statement. One reason might have to do with style: the three short sentences sound kind of choppy or abrupt.

What Is Colorectal Cancer?

The Journal of Higher Education. An appositive colon also separates the of a work from its principal title.

Enfermedades del intestino grueso

The colon is also used in many operating systems commands. The following example is from the grammar book : Benjamin Franklin proclaimed the virtue of frugality: A penny saved is a penny earned.
