Fyodor Dostoevsky

Khlebnikov was as helpless as a child, and terribly absent-minded.

The Poetics of Eurasia: Velimir Khlebnikov between Empire and Revolution

Chukovsky thought it paradoxical that, in their passion for the future, the Futurists had selected for their future poetry the most ancient of the very ancient languages. In the same article, Khlebnikov conceded that the task of constructing the required new language had only just been begun.

Past, Future and the Problem of Communication in the Work of V V Khlebnikov

At the end, the narrator loses the suitcase, in which he concealed the woman. The Russian Review 57 October 1998 : 526â38 Copyright 1998
The Russian Review The Kharmsian Absurd and the Bergsonian Comic gral reason when it comes to the creation of a work of art. In McLuhan's view, computers and electronics are destined to enable man to treat the entire globe almost as a work of art.
