### Antony and Cleopatra (TV Movie 1974)

It seemed a connection not only with a grandparent, but also with Marcus Antonius the Triumvir, whose name circles the face of the coin with its picture of a warship.

### Antony and Cleopatra

Well, I have so enjoyed this series that I dismissed as unreadable when the first 2 books were published! Fearing Octavian's land grants would cause the loyalty of the Caesarian veterans to shift away from Antony, Fulvia traveled constantly with her children to the new veteran settlements in order to remind the veterans of their debt to Antony. Apart from that, there is no real trace of any long-held beliefs or causes on Antony's part, no indication that he struggled for prominence for anything other than his own glory and profit.

### Antony and Cleopatra (1972)

### Antony and Cleopatra

Worked into a fury by the bloody spectacle, the assembly. Nevertheless the queen who became his fifth wife her third husband, having married her two younger brothers previously must of realized Mark was no Caesar, his adopted son, biologically grand- nephew Octavian soon to be called Augustus Caesar, was the closest to Julius in ability, if not a good military leader which men would trust and follow into deadly battle.

### Antony and Cleopatra

Poor Antonius, certainly he was flawed in his lack of self-discipline at inconvenient moments and his impulsiveness.
