## Political action of the Indians of British Columbia

. Abstract This thesis traces the development of political action by the Indians of British Columbia. The diversity of cultural, religious, and economic factors in the Indian population caused persistent divisiveness.

## Political action of the Indians of British Columbia

Regional political organizations were formed to resolve local problems. The effectiveness of Indian protest organizations was weakened by the inability of the natives to unite in one provincial association.

## Political action of the Indians of British Columbia

Item Metadata This thesis traces the development of political action by the Indians of British Columbia. Finally, the prospect of the removal of the Indian Act provided a catalyst for the formation of a single provincial Indian political organization.

## Political action of the Indians of British Columbia

The diversity of cultural, religious, and economic factors in the Indian population caused persistent divisiveness. Without citizenship or representation in the federal or provincial government for many years, the Indians tried to present their grievances to the government mainly through protest organizations. Without citizenship or representation in the federal or provincial government for many years, the Indians tried to present their grievances to the government mainly through protest organizations.
