## Darling clementine

Perhaps the most significant change is the film's ending: in Ford's original version, Earp awkwardly shakes hands with Clementine Carter. After seeing a preview screening of the film, 20th Century Fox studio boss felt Ford's original cut was too long and had some weak spots, so he had shoot new footage and heavily edit the film. An important member of Ford's stock company, he appeared in 14 of the director's films between 1924 and 1964.
