**The Making of the Cold War Enemy:  
 Culture and Politics in the Military**

The steady parade to the Soviet Union and Eastern Europe by ordinary citizen diplomats, lawyers, doctors, scientists and a variety of dissident politicians created an

entirely different—and largely unanticipated—dynamic for détente. In Inboden's case, the excuse is a good one: He has been busy elsewhere, serving as a congressional staffer in both houses and for both parties, as an official in the State Department where we worked together, and as a senior director of the National Security Council. Foreign Policy Lanham, MD: Rowman and Littlefield, 2010, 86.

Its engine was exceptionally broad-based citizen activism, and naturally enough, the demise of the cold war is seen mainly as a result of the loud and persistent public demand for peace stirred by such activism. The Echo Effect Perhaps the more remarkable part of the story, however, is how the public demand for change in the West was echoed in Moscow, with tangible results then replayed on the world stage.

## Review: Ron Robin's 'The Making of the Cold War Enemy: Culture and Politics in the Military'
