Christian Democracy in Italy: An alternative path to religious party moderation — Arizona State University

Ideological and behavioural moderation are understood as acceptance of democracy and promotion of civil liberties, not as the notion that a party becomes in some way less religious. But the party was excluded by the Ministry of the Interior from the electoral competition because of the similarity of its symbol with that of UDC, only to be re-introduced ten days before the election.

Christian Democracy in Italy: An alternative path to religious party moderation — Arizona State University

Moreover, as in the 1970s and the 1980s had become the party's stronghold, it was likely that and dishonest politicians may try to collaborate. Historic Compromise From 1976 to 1979 the DC governed with the external support of the PCI, through the.
