#### Asset Management (RPAM)

The Supreme Court agreed that he was entitled to compensation because this was a regulatory taking.

#### Real Property

The Court ruled that a city cannot force a store owner to make part of the owner's land a public bike path in exchange for a permit to build a larger store.

#### Can a Restrictive Covenant Be Removed From a Property?

Consideration is given to conserving the value of property and encouraging the most appropriate use of land throughout a particular locality. The computer RPI size depends on the number of facilities and how the organization chooses to maintain the database. You don't remember signing any covenant.
