New book series: The Thomist Tradition — thomistica

Therefore, the soul gives man every essential degree of perfection; moreover, it gives the body a share in the act of being whereby it itself exists. But to his supernatural end man needs to be directed in a yet higher way. Therefore it must be that by the name of evil is signified the absence of good.

The Thomist Tradition: Avoiding Scylla and Charybdis

One day I may ask a question about Fathers Bracken, Felt and Hosinski if your daily topic is related. The bloody history of the last century stands in clear judgment against this claim.

Culture and the Thomist Tradition: After Vatican II by Douglas A. Ollivant

The human soul is unique in that it has consciousness. . This reminder is sorely needed as some Thomists today have lurched to fideism even supernaturalism in their zeal to avert rationalism.

Edward Feser: The Thomistic tradition, Part I

For breadth with less depth but still significant depth you might also look at Brian Davies' The Thought of Thomas Aquinas.

Edward Feser: The Thomistic tradition, Part II

Later, Aquinas and his school would find a formidable opponent in the via moderna, particularly in and his adherents.

Culture and the Thomist Tradition: After Vatican II by Douglas A. Ollivant

Aquinas' position was that the temporality of the world is an article of faith, and not demonstrable by reason; though one could reasonably conclude either that the universe is temporal or eternal. Written in an idiom that suits the here and now, Boland shows how the perennial philosophy lives to instruct another generation.

Edward Feser: The Thomistic tradition, Part II

Farrell, Natural Law and Human Freedom: Thomistic Investigations July 2018 Reginald Garrigou-Lagrange, The Eucharist a new translation of De Eucharistia Christmas 2018 Reginald Garrigou-Lagrange, The Theological Virtues a new translation of De Virtutibus Theologicis Christmas 2018 I encourage you to check this out for yourself.

New book series: The Thomist Tradition — thomistica

For example, reducing, purging, drugs and instruments are causes of health; for all of these exist for the sake of the end, although they differ from each other inasmuch as some are instruments and others are processes. The opposed the ideas of the Aquinas, while the Dominicans institutionally took up the defense of his work 1286 , and thereafter adopted it as an official philosophy of the order to be taught in their studia.
