The Role of Shame and Guilt in Addiction Treatment

Creating pride Some people spend too much time trying to instead of seeking out pride. It may not be an easy 1-2-3-step solution, but with a little guidance, you can overcome shame in addiction recovery.

Guilt and Shame in Addiction

Explore and understand new approaches in Borderline therapy. Ignoring difficult feelings can also promote isolation and bitterness. GoodRx is not offering advice, recommending or endorsing any specific prescription drug, pharmacy or other information on the site.

The Treatment of Shame and Guilt in Alcoholism Counseling by Ron Potter

As you begin to see these behaviors or actively participate in them, you will become lonelier, which will most likely cause any substance abuse to increase. It is typically a very long cycle of shame and blame until we find the right kind of help. Volunteering your time, assisting a neighbor, and donating to charity are all simple options to produce new pride.

How Shame Impacts Addiction & Recovery

When a person is feeling guilty or shameful, they tend not to reach out for help or to other friends or family members that could help.
