## Re: Gipsy Unora Welty m. James

Louise died of cancer in 1941. Consistently enforced personnel and municipal policies will prevent a claim. This comment briefly provides an incomplete educational overview of litigation under this significant legislation.

### Citation

Frank and Louise farmed in Ross Prairie for several years as they began having their family of five children: Alfred, Elenora, Frank R. He currently sits on the Board of Advisors for the Houston Audubon Society and Gulf Coast Bird Observatory.

### Scott, Elsie (1898)

Look for big flocks of snow geese at the Anahuac, Brazoria, San Bernard and Attwater Prairie Chicken National Wildlife Refuges as well as on fallow farm fields. An active San Juan County Tuberculosis League met regularly, and Scott worked closely with the organization, promoting its activities as she traveled. She was appointed as advisor to a newly formed local organization focused on fighting infantile paralysis, more commonly known today as polio.

### A Legal Overview Of Section 1983 Civil Rights Litigation

Traveling muddy county byways in her 1928 Model A Ford was difficult, even where local residents had laid log roads across especially boggy areas. She aided in the diagnosis and treatment of tuberculosis patients and offered personal home care and comfort to many patients far from neighbors or other help.
