## Rediscovering the Parables: The Question of a Correct Understanding

I have spent hours, days, weeks, in searching among books which are rare, and not easily read, so that to those who have not time, nor inclination to search for themselves, I may reveal hidden delights and buried joys. But the wind, increasing, made a dreadful noise, and the boisterous waves at the same time threatened to overwhelm him. With reference to this epoch one of the old expositors says that the mustard seed planted in Judea was but a small thing, but it suddenly sprang into a tree, great and magnificent, in that wonderful hour when Constantine became a Christian.

## Introduction to the Gospel of Matthew

I am witness to the same, and therefore affirm that such testimony is sufficient to render them valid.

## Quotes about Quotes

May I ask you in the weeks and months to come to re-read, re-meditate on St. Therefore I speak to them in parables, because seeing they do not see, and hearing they do not hear, nor do they understand.

In a beautiful personification, wisdom is then introduced in a most solemn and impressive manner, publicly inviting men to receive its teachings, warning those who reject, and encouraging those who accept, the proffered instructions.

## Fr. Hardon Archives

What is written in the law? There is a harvest coming wherever they go, some thirty, some sixty, some a hundredfold. This was the year before Jesus was twelve years of age.
